FEATURES

- The Silhouette's case conceals everything: mounting fixtures, fasteners, electrical connections, and optional controls. Even the dowel retracts inside the case.
- The innovative case installs cleanly, and the front fascia removes easily for access to the inside components.
- Its slender fascia and endcaps are made of gently radiused aluminum and presents a strikingly modern appearance.
- There is no need to conceal the Silhouette—it will complement the other high-tech equipment in your room.
